Making Project Management Indispensable for Business Results®

PMPC 2009

PMI Bangalore Chapter, one of the fastest growing chapters in Asia Pacific brings you one of the largest Project Management Events **PMPC 2009**.

PMI Bangalore Chapter's ongoing activities symbolize the quest for learning and sharing. **Project Management Practitioners' Conference** is the high point of the chapter's activities for the year.

PMPC 2009 takes forward the successful momentum of PMPC 2006, 2007 & 2008 conferences. PMPC is designed for Project Management Practitioners and is one of the most awaited and prestigious PM conferences of the year in the sub continent. PMPC is a cross industry forum for PM Practitioners, Thought Leaders and Product Vendors to Share, Learn and Interact. The conference brings Project Management learning from large projects to help realize the value of Project Management in the Enterprise. The conference also brings together Project Management Practitioners and the key stakeholders namely - Industry, Academia, Government and Society.
