

# Homage to Sri. Venkatraman S Subramanian fondly known as “VSS Sir”

VSS Sir, a distinguished professional with a long career at Union Carbide, brought his expertise to Bangalore after his retirement, where he served as the Director of Projects. VSS Sir served as a Board Member of the PMI Bangalore India Chapter during the period 2005 to 2009. After his stint as board member, he joined as full time as the Executive Manager of the Chapter Office and served for a couple of years.

His immense contributions to our Chapter include:

- Being a key member of the Core Team that developed the PMP Quest curriculum.
- Serving as one of the most versatile faculty for preparatory sessions, stepping in without preparation to teach Quality Management on the fly.
- Organizing and leading the PMPCs, including his role as Chief Organizer for the National PMI Conference with Dr. APJ Abdul Kalam as the Chief Guest.
- Designing the invaluable Run Chart for the Chapter.
- Actively contributing to the PM Enrich initiative and supporting special projects like Vidhyadeepa, E&C Forum, and the DAPSU framework.

VSS Sir has been a pillar of strength and a mentor for over a decade, inspiring countless members of the Chapter with his guidance and commitment. His legacy continues to resonate deeply within the Chapter.
